Forholdet mellom Kina og Norge normalisert etter seks år med isfront

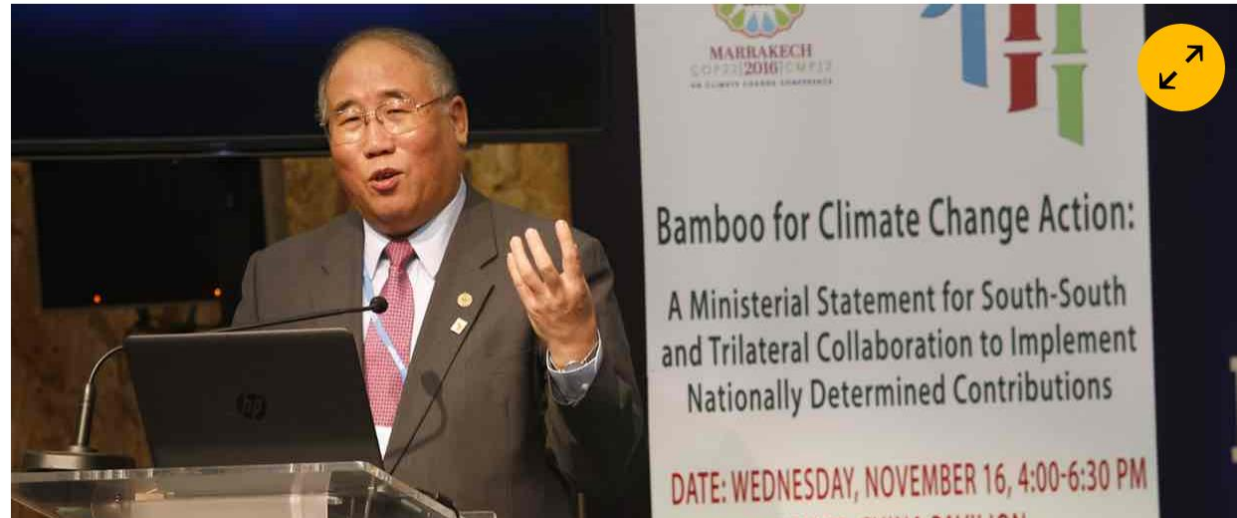

Yes, Donald Trump did call climate change a Chinese hoax

By Louis Jacobson on Friday, June 3rd, 2016 at 12:00 p.m.

China emerges as global climate leader in wake of Trump's triumph

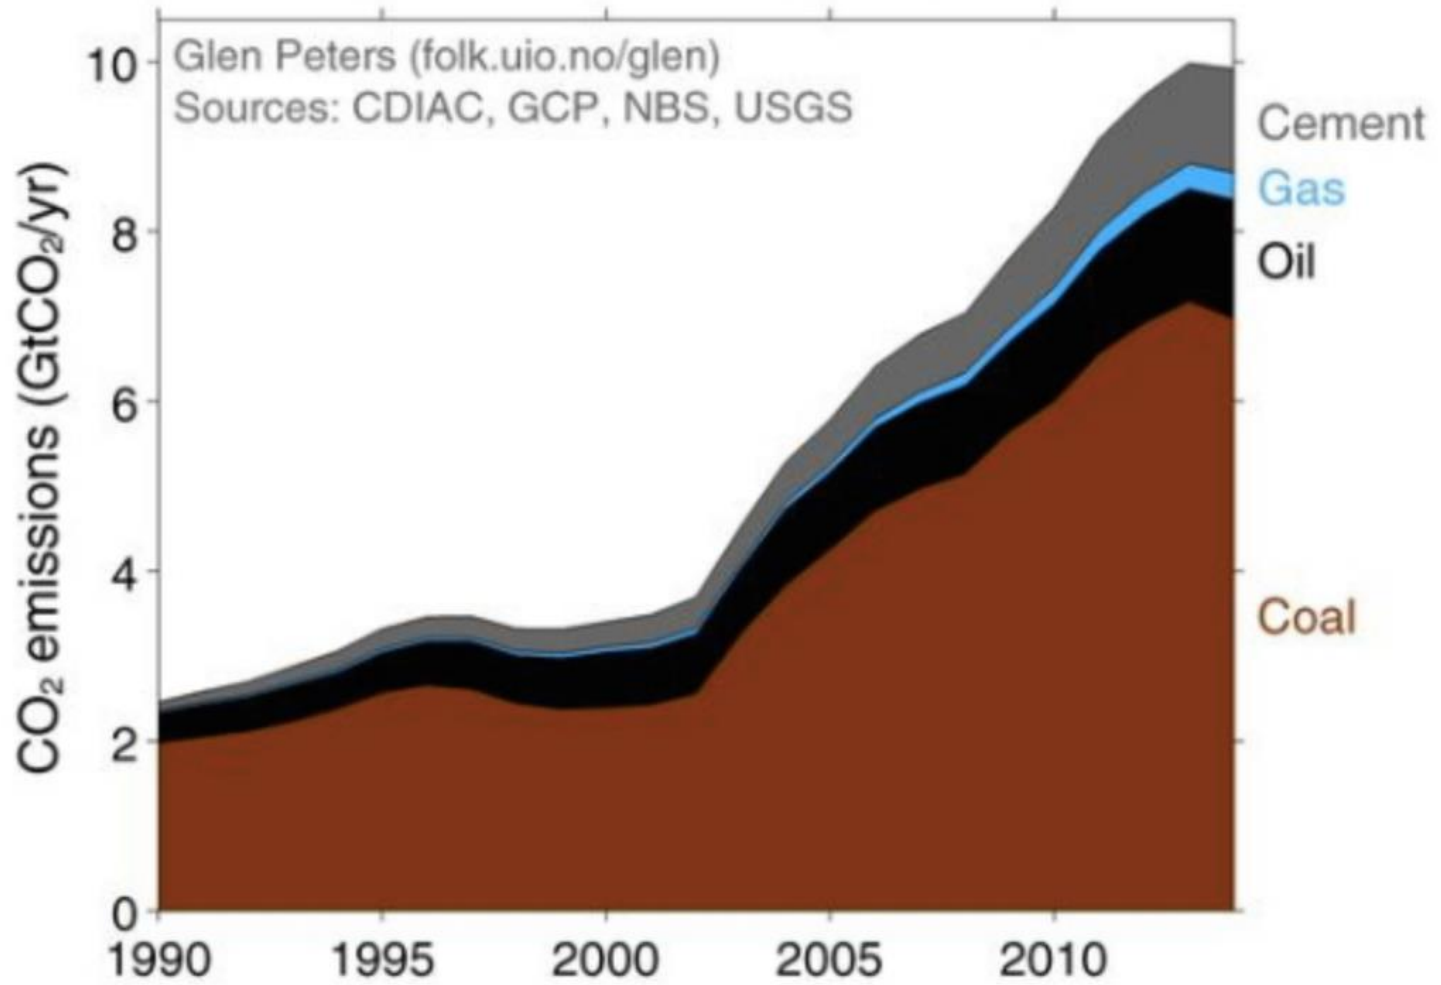

With the US president-elect threatening to withdraw from the Paris Agreement, Beijing is ready to lead world's climate efforts, reports [Environment 360](#)
